You Asked, We Listened... Again!

Last week's Live Event featuring Dr. Tiffany Hogan was so popular it will now be offered with no time restrictions for viewing on our uScreen channel.

Already purchase this event? You now have access to the recording at any time. The 48-hour restriction has been eliminated. Simply log into your account at: <https://thereadingleague.uscreen.io/> and look for the video with Dr. Hogan's photo.

Did not get a chance to purchase the event but still want to? You can now purchase the event at: <https://thereadingleague.uscreen.io/> Simply create an account and purchase the video with Dr. Hogan's photo. The event costs \$10.

How do I access handouts? Resources, such as knowledge sheets and slides, are available on the "Resources Tab" located below the video. Files are downloadable PDFs. You will need Acrobat Reader to view.

Do I still need to watch within 48 hours of purchasing? No. You will have unlimited access to the video with no viewing time constraints.

Thank you for your continued support of The Reading League. All live streams of our Live Events will be accessible in this manner in the future. We appreciate everyone's comments, suggestions and thoughts as we strive to bring you quality content to better your practice.
